

BuildSafe AI Recommendations

Infrastructure: Downtown High-Rise Office (BUILDING)

Location: 41.8781, -87.6298

Risk Level: HIGH (92%)

Priority: HIGH

Recommended Actions:

1. Immediate structural inspection by certified engineer
2. Restrict public access until safety verified
3. Ensure fire exits are unobstructed and clearly marked
4. Maintain fire suppression systems per code

Compliance Violations:

- Building exceeds height limit (50m) [MEDIUM]
